

# Seats to dye for

ship the offending item, from anywhere in the world, and Dynamix will restore it to its original condition. In addition, trim can be dyed to a different colour, if required.

For more photos showing what can be done, go to [www.dynamix.uk.com](http://www.dynamix.uk.com).

**Before**

Many an otherwise perfect 911 is let down by the condition of its leather seats; the driver's side bolsters are particularly vulnerable to wear and ageing.

Dynamix is a Northern Ireland-based company that specialises in restoring Porsche interior trim. You simply
